SECOND ANNUAL

TASTE FORE THE TOUR

WE ARE ALREADY COOKING UP PLANS FOR ANOTHER ROUND OF

HUNGER RELIEF

Last July an energetic and committed team of Minnesota chefs, athletes, celebrities and hunger relief volunteers launched the inaugural **Taste Fore the Tour** event to begin the week of the **3M Open Tournament**.

The purpose was to raise dollars and awareness for **VEAP**. The results were exciting; enough dollars were raised and donated to **VEAP** to enable them to create in excess of **1 MILLION NEW MEALS** for the families in need here in the Twin Cities.

Unfortunately due to the uncertainty in which we are now living in today we have made the decision that we are not going to be able to host the **Taste Fore the Tour** event this year as a live event at Interlachen Country Club on Monday, July 20.

We are shifting our focus and efforts towards a virtual fundraising campaign, again to support **VEAP** and the families that they serve. Today, the time in which we live is different, but the need for families who need assistance for nutrition and shelter is greater than ever.

We are currently creating plans for the **Taste Fore the Tour** to be a virtual event experience.

Watch for our exciting plans to be announced in mid-May. We welcome everyone to join this year's roster of Minnesota stars again coming together, virtually, to meet the needs of families.

Thanks!
